

Greetings Camp Counselors!

We have included our Summer Camp Menu in your confirmation letter. **For your benefit and to provide you with the best customer service possible, campers and/or counselors must complete diner menus to order lunch if it is not included with your reservation.** *It is mandatory that the counselors separate each child's money and food order and place them in a zip top bag with his or her name on it.* The counselor can then bring the bags to the diner and wait as the order is being filled. No outside food or beverages are allowed in the establishment.

We will call the child's name when their order is complete. After all orders are done, our staff will then return all menus and any change to the counselor. This provides the best experience for you and the children while they enjoy their time here at Greenacres Bowl.

Thank You,
Greenacres Bowl Staff
